

Ostle

Push, drop, and win

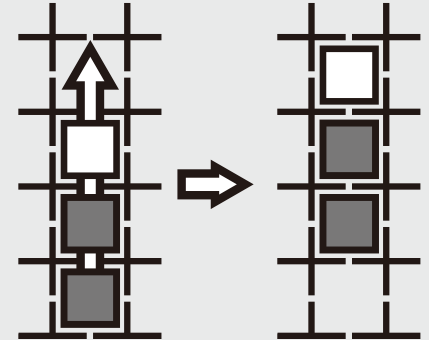

Game Preparation

Push

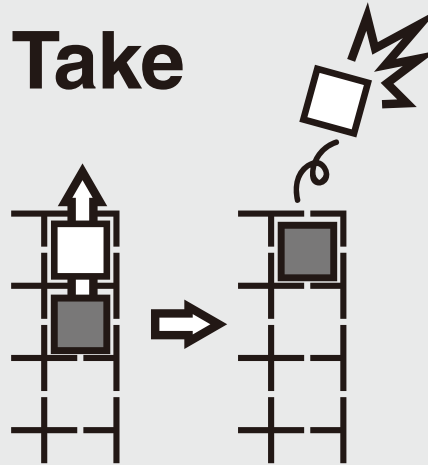

Push one square at a time.

You can push as many pieces as you like at the same time.

Take

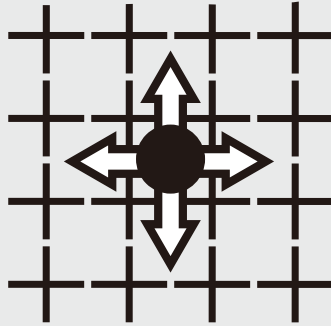

Drop your opponent's piece from the board and take it as your own!

Win

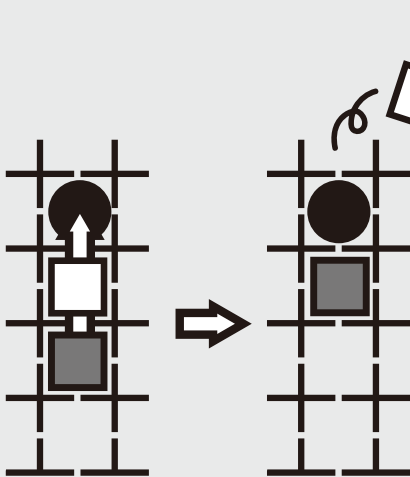

Take two of your opponent's pieces to win! (Self-destruction included)

Hole

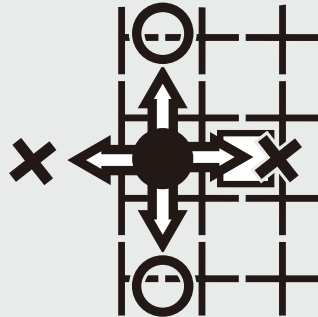

This is a hole.

Holes can also be pushed one square at a time.

Another way to take your opponent's pieces is to push them into the hole.

However, the hole can only be moved to a vacant square.

How to Play

Take turns

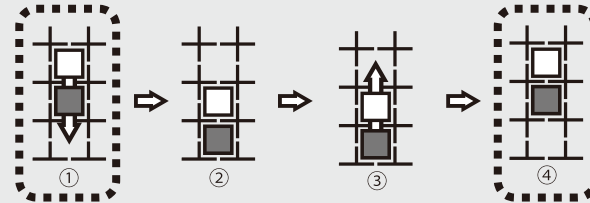

You can push either a piece or the hole during your turn. Once you've pushed, it is your opponent's turn.

Caution
